

ENVIRONMENTAL MANAGEMENT POLICY STATEMENT

1 GENERAL POLICY

- 1.1 Clark Degnan Limited are committed to reducing our impact on the environment in all aspects of our business from both an operational and design perspective.

2 IMPLEMENTATION

- 2.1 Clark Degnan Limited shall reduce our environmental impact by adopting the following policies:

- Follow best practice environmental practices in its day to day operations
- Use material from sustainable sources
- Use registered waste disposal companies for removal of all waste streams where possible
- Ensure that all company vehicles meet all emission standards
- Always maintain high standards of cleanliness in respect of litter and waste packaging
- Ensure any cleaning agents used are of a biodegradable nature
- Ensure any chemicals that are used do not present an environmental hazard
- Limit to a minimum and strive to eliminate all emissions to the atmosphere e.g. dusts and carbon dioxide.
- Limit to a minimum the use of electricity and gas supplies and to eliminate any wastage. The general aim is a 20% reduction in energy consumption in the next two years
- Stop the use of any chemicals that have a detrimental effect on the ozone layer
- Consider all environmental impacts of new equipment or new work undertaken
- Respect all client's policies aimed at a better environment.
